School Safety Notices

Playground Goal Posts

Parents, please supervise your children so that they **DO NOT** climb on the playground goal posts as they are not climbing frames. They present a health and safety risk and also a cost implication to the school.

Parents please note:

- **The Magdalene Centre toilets are not in use once children have been dismissed at the end of the school day.**
- **Please refrain from allowing your child and their siblings to enter the playground on bikes/scooters/trikes etc due to a health and safety risk to other children, parents and staff.**
- **If you would like to speak to any of the teachers please contact the School Office to arrange a suitable time. Thanks**

School Security

The school has now been fitted with locks on the playground gates. During the school day these gates will be locked when the children go into school at 8:50am until 3:15pm. Please use the main office entrance if you need to collect your child during these times.

Book bags

Following a recent freak accident in a Tameside school we are asking parents **NOT** to send any big bags into school i.e: large rucksack. Your child only requires a book bag or equivalent size that will fit into their pouch.

We are required for health and safety purposes to keep classrooms free of clutter and any trip/slip hazards. We hope you can support us in this matter by keeping our children safe.

Parking

The school has received numerous resident complaints concerning the parking outside on the road and behind school. Can we please remind you that the road behind school is a private road and the sign clearly states this:

**PRIVATE ROAD, NO ENTRY FOR
VEHICLES ON SCHOOL DAYS BETWEEN
8.45AM -9.15AM & 3PM-3.45PM**

Could we also remind you that you **MUST** use the cricket club car park or train station car parks.

Failure to do so will result in further action.

Our children are at risk of an accident or worst

Important Safeguarding Message

! If you have taken a picture of your child in school with other children, you must not put the photograph on any social media site, i.e Facebook, Twitter, Instagram etc, as this is a serious safeguarding issue for the other children in the photograph.

If you want to upload a photograph of your child on to the internet you must crop it to ensure that only your child is shown.

Magdalene Centre

Points to consider

Do be considerate when arriving and leaving the centre – especially by being quiet late at night.

Do not park on the main road – especially not across driveways opposite. It can make life difficult and dangerous for other road users, on the sweeping bend in front of the centre.

Do feel free to drop off children or disabled passengers outside the gate.

Thank you for your consideration!

Tony Kershaw.

School Closure Plan

In the event of severe weather, flood or any other emergency I would like to outline how we plan to communicate with you should the need arise.

Our aim is to keep school open whenever it is possible and we will only close in exceptional circumstances.

If the school's conditions deteriorate through the night and this affects school opening in the morning, a message regarding any school closure will be relayed as soon as possible via:

- Text messaging
- The school website
- Local radio

Please refer to the website for updated information as necessary. If the school is to continue to be closed, the website will be updated with plans for the following day, and a text message will be sent by 5pm.

All these dates and more are on our website www.broadbottom.tameside.sch.uk

Many Thanks
