Dear Parents,

Re: Blue Class - Bikeability

Your child is being offered the opportunity to take part in the "Bikeability" course this year.

The sessions will run in school over four mornings between **Monday 10th – Thursday 13th June 2019.**

If your child would like to use their own bike you must ensure that it is in good working condition and is road worthy. All children must wear an approved helmet otherwise they will not be permitted to take part in the course. Your child must be able to ride a bike to take part on this course.

If your child does not have a bike or helmet please complete the information on the permission slip below.

There is a bike rack on school premises for your child's bike to be secured safely with your own lock. Unfortunately, if you leave your child's bike overnight on the bike rack, school will not be held responsible for any theft or damage. Therefore we do advise that the bike is taken home each night.

Attached to this letter is the course information and a consent form which must be completed and returned to the school office by **Monday 13th May 2019** if you wish your child to take part.

Yours sincerely,

Mrs J M Marrow
Acting Headteacher
