Thursday, 08 October 2020

Dear Parents,

Autumn has well and truly ascended upon us, and therefore I have amended the arrival and pick up arrangements, so that parents are not waiting for multiple children.

As you are aware, the rate of infection is still very high in our area and so safety and risk assessment remain the key priority. From Monday 12th October, a sibling group will be introduced, to help get children into and out of school faster.

From Monday, if you have two or more children in school, you will now bring and collect them from Gate 7. Please remember, to **socially distance** and **wear face coverings,** to keep Covid-19 away from our school. A member of staff will be at this gate each day, to ensure that children from different bubbles, do not mix as they arrive and leave.

Please see the table below, which will explain where classes and siblings will access the school.

Gate 4…. From main playground to the infant playground and the current collection point for Blue and Purple

Gate 5…. From main playground and current collection point for Red and Green.

**Gate 7**…. Can be accessed from the school car park, down in the direction of the church past the bins.

Drop Off/ Collection w/c 12.10.20			
Time	**Classes**	**Time**	**Classes**
8.50am	Blue Gate 4 Red Gate 5 Siblings Gate 7	3.00pm	Blue Gate 4 Red Gate 5 Siblings Gate 7
9.00 am	Green Gate 5 Purple Gate 4	3.15pm	Green Gate 5 Purple Gate 4

We are hoping that these arrangements will support us through the next coming months and help everyone to remain healthy and well.

Thank you for all your support in recent weeks, by wearing face coverings, we are in a minority of primary schools at present that have not experienced a case and this is due to us working together so well.

Kind regards and continue to stay healthy,

Mrs J Marrow
