Dear Parents,

Closure of kitchen for hot meals

On Monday 7th December 2020, I met with a team of specialist contractors, with regards to a Defect Analysis Report concerning the ceiling, and roof space, in the main school building. Following a previous inspection, significant defects have been identified, that require immediate repair to the suspended ceiling and needs all internal tiles to be removed, plus internal boards to be installed.

As such, I am writing to inform you, that the kitchen will not be open for hot meals, week commencing the 4th January 2021. However, Dolce will be offering a sandwich option, which you will be able to order in the usual way on Live Kitchen. If a hot menu is still showing when you come to place your order please wait until this changes over to a sandwich option, which Dolce have assured us they will do ASAP.

Best efforts have been made, by all the contractors concerned, to work throughout the Christmas period, to ensure least disruption. I apologise that this will unfortunately overspill into the new term, but I am duty bound to follow the recommendations within the report.

Usual arrangements will be in place for collection and drop off during this week.

Best wishes,

J M Marrow
