

Thursday 4th March is World Book Day! Ordinarily at this time of year we'd be inviting you to our Pop-up Cinema at Lyme field, where we love to bring books to life. However, following on from our celebrations of Pantomime Fairy Tales during December, we are going to continue with our love of fairy tales and invite children to design a piece of fairy tale bunting!

You can download this bunting flag template from our website at

Please post, email (to info@lyme field.com) or bring your beautiful designs to Lyme field before Monday 8th March and we can then display your colourful fairy tale bunting designs for all to see.
