Dear Parents,

As we break up for a week's holiday, I want to thank each and every one of you, for your tremendous support. We know that this has been very challenging for parents, juggling work commitments, around home education and you have each done a sterling job.

We are very humbled as a staff that we have amazing families, who have worked with us to make this lockdown better for all our children and attendance on Google Classrooms has been excellent.

On behalf of all the staff, I am passing on their gratitude for the wonderful messages of support that have been sent. Your feedback has been a tonic and kept them all going during these difficult times. Thank you, it has meant an awful lot!

After half term, we are expecting to hear what is planned in the governments 'Road Map'. Historically, we have only found out information during the live T.V. updates, so it is likely we may all find out at the same time.

Once I have information that has been endorsed via the Local Authority, I will write to confirm any return to school plans.

In the meantime, all families eligible for Free Schools meals will have received a voucher from the Local authority for half term. After the holiday, the Edenred scheme will open again and during the first week back further vouchers will be distributed.

Yours sincerely,

A handwritten signature in purple ink that reads 'J M Marrow'.
