

**BROADBOTTOM CE PRIMARY SCHOOL
HISTORY VERTICAL PLANNING**

Rationale:

A high-quality history education will help pupils gain a coherent knowledge and understanding of Britain's past and significant times, how people have lived over a period of time, their place in time and impacts on Britain and other countries. It should inspire pupils' curiosity to know more about the past. Teaching should equip pupils to ask perceptive questions, think critically, weigh evidence, sift arguments, and develop perspective and judgement. History helps pupils to understand the complexity of people's lives, the process of change, the diversity of societies and relationships between different groups, as well as their own identity and the challenges of their time.
