Dear Parents/Carers,

Due to the extreme temperatures forecast on Monday and Tuesday next week, the following measures are being put in place in school to protect the children from any effects from the high temperatures:

- Children will not take part in vigorous physical activity eg. PE - these lessons will take place indoors and less physical activities such as yoga will take place instead.
- Children can wear loose, light coloured clothing (summer uniform/school dresses/school shorts) to keep cool. If you do not have summer uniform, loose PE shorts and T-shirts will be allowed to be worn at school on Monday and Tuesday. Please do not send your children in cropped tops.
- Sunhats are advised to be worn and sun cream applied before arriving at school
- If temperatures are too high, playtimes will be shortened or take place indoors
- Provide children with drink bottles/drinks (these will be refilled with water throughout the day)

Thank you for your support and have a lovely weekend.

Mrs J M Marrow
