Three pupils from Year 5 represented school at the first Climate Conference held by Chester Diocese Academy Trust. They met with Laura Young who is a Climate activist, environmental scientist, ethical influencer and 2022 Winner of the SRUC Alumni Entrepreneur Network Alumni Champion Award.

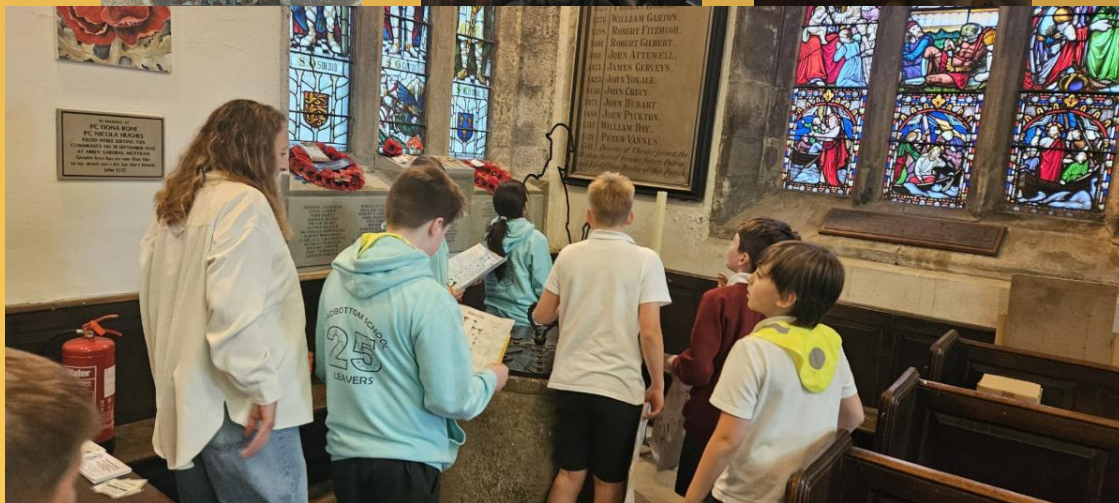

Back at school, the pupils will become Climate Champions responsible for supporting and educating their fellow peers towards reducing the carbon footprint we produce.

Fire Class participated in a wonderful morning exploring the history of Mottram Church with Reverend Adele and Mrs Hall.

This involved a treasure hunt to explore and find artefacts and historical information, followed by some brass rubbing.
