Come and Visit Our Uniform Swap Shop

Our Uniform Swap Shop is now open and we warmly invite you to come along and take a look. You can swap, donate, or simply browse available uniform items. It's an easy way to save money and ensure uniforms are reused rather than wasted.

We are still happy to receive clean donations to the school office.

Sports Day

Postponed

Unfortunately, due to the heavy rain we have had, the field is extremely boggy and not suitable for us to hold our sports day as planned. The wet weather is forecast to continue over the next few days, so we can not envisage the field drying out in time.

We apologise for this but wanted to give you plenty of notice. We will keep you informed of a new date after the school holidays.

Year 5/6 Fire Class parents

A reminder that swimming is now every Tuesday until 14th July.

Our Year 6 children have now finished their SATs, and they should be very proud of themselves. They worked hard, stayed focused and tried their best. SATs are just one small part of their learning journey, and we are proud of everything they've achieved so far.

A celebratory McDonalds!

LEGO Donations

To enhance our creative and hands-on learning activities, we are looking to grow our collection of LEGO.

LEGO is a fantastic resource for developing problem-solving skills, collaboration and imagination across all ages.

If your family has any LEGO bricks, figures or base plates that are no longer being used, we would be very grateful for your donation. Items should be clean and safe for children.

A special Italian lunch will be on the menu, Thursday 21st May. This will be available to order through the usual process on school grid.

Please see below for information and clubs that are running throughout the school holidays.

During the upcoming whit holidays (Tuesday 28th May until Friday 8th June), Active Tameside will be running a range of activities for children aged 3-16 years old. These include Little Camp, youth provision sessions, and holiday camps across Tameside.

They are also pleased to offer a limited number of free places for any child eligible to benefit-related free school meals.

Please click on the link below to see more details and information on the activities available.
