Attendance and Punctuality

If your child arrives late, they **must** be walked to the office by their parent/carer.

The Sign-In Machine: You must use the office screen to log your child in.

This tool is a critical safety monitor and can be reviewed by the **Local Authority** to track student attendance.

Please note that arriving after the register closes is legally classed as an **unauthorised absence**.

This can trigger official attendance reviews.

When providing reasons for lateness on the machine, please ensure they are clear, precise and appropriate.

LEGO
Donations

To enhance our creative and hands-on learning activities, we are looking to grow our collection of LEGO.

LEGO is a fantastic resource for developing problem-solving skills, collaboration and imagination across all ages. If your family has any LEGO bricks, figures or base plates that are no longer being used, we would be very grateful for your donation.
