Please be reassured that we have put in place a lot of measures, to ensure that we are minimising the opportunity for coronavirus to spread in our school.

It would be helpful, if you can chat with your children and prepare them that school looks very different. Attached are some photographs to help with this discussion.

It's been a long time and we are desperate to get back to teaching and being with our pupils. As we move towards the summer break, we are awaiting guidance that will prepare us all for the new academic year. Once this information is available, I will of course write to you again to outline plans for September.

We are looking forward to seeing you all in the coming weeks and are excited to be welcoming back the children.

Wishing you all the very best as we move forward into a new phase.

Take care

Mrs J M Marrow
