Thursday, 15 October 2020

Dear Parents,

As we are likely to move into Tier 3 restrictions in the foreseeable future, I am sending you the timetable we will revert to, should we encounter any positive cases in school.

There are two separate timetables below. The first one, will be used if only your child's class has to learn from home. In the event that several classes find themselves learning from home, we will use the multiple bubble offer.

Both our learning offers, provides interactive teaching for English, Maths and Topic daily. It is important that you stick to the school timetable, as live learning cannot be provided later in the day.

All learning will take place over Google Classroom. We have now been using this platform for a couple of weeks and are beginning to iron out some of the glitches we have encountered. Moving forward, we will continue to work with you to resolve any problems as they arise. This is new to all of us and so any issues you have share them with us so that we can improve on the blended learning experience.

Each day you will be guided by your class teacher from the notice board on the main page of Google Classroom. This will help you navigate through your child's school day in an interactive virtual classroom.

Any questions in the meantime, please contact your class teacher via Dojo and they will support you with any queries.

Fingers crossed; we will be fortunate enough to not have to rely on blended learning. I thank you again for your support in following the Covid restrictions and keeping everyone involved with Broadbottom School safe.

This letter can be viewed also on the school website under Coronavirus Blended Learning.

Yours sincerely

Mrs J Marrow
Headteacher

Blended Learning Offer – Single Bubble

This plan is for a single bubble closure. If more bubbles are affected, please refer to the multiple bubble teaching procedure.

Time	Activity
