Dear Parents,

RE: Cool Milk

School has subscribed to a milk scheme that is available to all of our pupils. Milk is free for all under-fives and is subsidised for pupils aged five or over at a cost of £14 per term.

Each pupil that registers with Cool Milk will receive a carton of semi-skimmed milk every day, which is delivered fresh and chilled to the classroom. Their school milk will not only supply them with essential nutrients, but as it is rehydrating and energy boosting it also bridges the gap between breakfast and lunch to help children stay focused.

Find out the top ten reasons for children to drink school milk at: www.coolmilk.com/whyschoolmilk

How to register:-

Milk is completely free for all children aged under-five and is subsidised for children aged five or older. Simply register at www.coolmilk.com or complete the registration form attached to this letter and send direct to their freepost address.

My child is under five:-

On completing the registration form and sending to Cool Milk, free milk will continue until the Friday before your child's fifth birthday, if you wish your child to continue having milk after this time, please register at www.coolmilk.com

My child is five or over:-

Complete the attached registration form or register on line as soon as possible. Shortly after registering you will receive a payment request.

You can pay Cool Milk either on line, over the phone, at a local pay point or by cheque, either half-termly, termly or annual instalments direct to Cool Milk.

Please pay by Tuesday 5pm for your child's milk to start the following week.

If your child is eligible for Pupil Premium and they would like milk, please complete the attached registration form and give to the school office direct.

Yours sincerely

Mrs J M Marrow
