Dolce

Our school lunch provider, Dolce, have been in contact with regards to their 'unpaid meal policy'. This is due to a rise in unpaid accounts across their schools. Please read the following, from Dolce's letter to school, in relation to this:

'Dolce does not offer credit and asks for all SchoolGrid accounts to be kept in credit at all times, by parents and staff.'

However, we do accommodate a three meal 'emergency' zone for incidents such as damaged or forgotten packed lunches, parents forgetting to top up their account etc.

When a pupil account has fallen out of credit, a reminder email will be sent directly to the parent, via email, advising them to 'top up'.

They will receive an email for each meal they have no credit for (maximum of three). Once a pupil's account has reached their three-meal limit, their account becomes frozen, and Dolce will no longer continue to supply school meals.'

Please can we remind parents to check accounts and ensure your child's meal is ordered and paid for each day.

Thank you.
