### Earth Class Plea

If anybody has any spare pairs of wellies (in small sizes), which school could keep, please donate to Earth Class. They enjoy wellie walks and, having a selection of wellies in school, would enable them to get out more often.

If Earth parents would like to send a pair for your child to keep in school, please ensure they are named.

Thank you.

### THANK YOU!

We have received a great number of tins, packets and jars to send to our local foodbank. Thank you to everyone who donated!

### Fire Safety

Fire class had a visit from the fire service this week. We learnt about safety around bonfires and with fireworks. We wish all families an enjoyable bonfire weekend, please be safe.

The fire service also asked us to share information about a free home safety check available to all. Please see the link below for more details.
