Cook4Life

We have the opportunity for up to 5 families to take part in the Tameside Active Cook4Life course. This is a 3week programme which develops skills and confidence in preparing and cooking meals, whilst encouraging making healthy choices.

The course is delivered virtually. The Children's Nutrition Team will deliver all food and resources directly to school for children to take home and they will engage with families through phone calls and questionnaires.

This is a great opportunity. Please contact the school office if you are interested in putting your name down to take part in this course.
